PTO will have a flyer on Bloomz, please watch for ways to thank your child's teacher this week. They will have daily activities and need snack/taco bar donations.

We appreciate them for making this transition easier. They will walk over during the school day for a visit. We will miss our grade 2 students and wish them the best as they begin their new adventure.

Blue Print

Our Life Skill for May is Sense of Humor. Please discuss this Life Skill with your family. What kind of jokes do you like? What tickles your "funny bone"?

Teacher Consideration Forms

Parents may pick up a 2019-2020 Teacher Consideration Form in the school office. There must be an **educational** reason for a consideration to be made. It states on the form, not every request will be able to be granted. There has to be a heterogeneous mix of students to insure the success of every child. Forms must be returned to the school office by **May 15th**.

Transfer Requests

Any students living outside the Parkview boundaries must file for a transfer approval every year in order to attend Parkview schools. This transfer request form must be turned in to the Administration building by May 13th. Request forms are available through the Parkview school offices. Decisions on transfers will be made in June.

Flip Flops

Just a reminder, the cheaper flip flops do not withstand active playground play. You will receive a call for shoes if your child wears flip flops and they break. You can either send an extra pair in their backpack or please send them in better shoes. Thanks for your help with this matter.

Wellness Committee Reminder

The Wellness document can be found on the NLCS website under "Document Library" and in the front of the Elementary Handbook.

Just a few reminders...

- Students are unable to have fast food in the cafeteria.
- Students should bring healthy drinks, water, milk, juice..
- During snacks, birthdays, parties, etc. parents should bring in store bought food with labels still intact. No homemade food should be brought in for student consumption.

Let's Finish Strong!

Teach your student to put mistakes behind them. Help them see that they can look at mistakes two ways: feel discouraged, or get motivated. Encourage them to look at a mistake as an opportunity to succeed next time. Celebrate hard work. It doesn't have to be food or things that cost money. Encouraging, sincere words can motivate, high-fives, or an outing to the park.

May Safety Tip

Stay away from all downed wires, even if there are no sparks. Don't touch anything, or anyone that is touching it. Get help right away.

Kindergarten Honor Day

Kindergarten Graduation is May 28th at 9:30 in the gym. Children will sing songs and receive certificates.

Honor Day

Our Honor Program will be May 29th, in our gym. It will begin at 8:30. Parents, friends and relatives are invited to attend. The program should last about 30 minutes. Parents may take their children home after the program if they so desire, but we are still having school. It is the last day for students and they will take report cards home that day. Please stop by the office for all **medications**, leftovers will be discarded.

2018-2019 Enrollment

Please notify the office if you plan to move over the summer or enroll your child in a school other than Parkview Primary.

Duke Energy Full Steam Ahead Program - PVP will be hosting a summer program June

Many Thanks!

We have had a wonderful year! We want to thank you for all of the kindness and support we have received throughout the year. Together we are better and as always we appreciate all of the parental support we have been given. It takes a strong team working together for students to reach their full potential. Have a wonderful summer!
